"We had a very successful season. We had a nice blend of underclassmen and veterans. We had solid performances from all of our seniors. Pleasant surprises came from underclass performers such as Dave Wojciechowski, Tony Miller, and Tony Redding."

Randy Boruszkowski could not complete his senior year with his classmates due to his fight with Hodgkins Disease. He has won the battle with his affliction and will graduate in 1989, but he will always be an integral part of the class of '88.

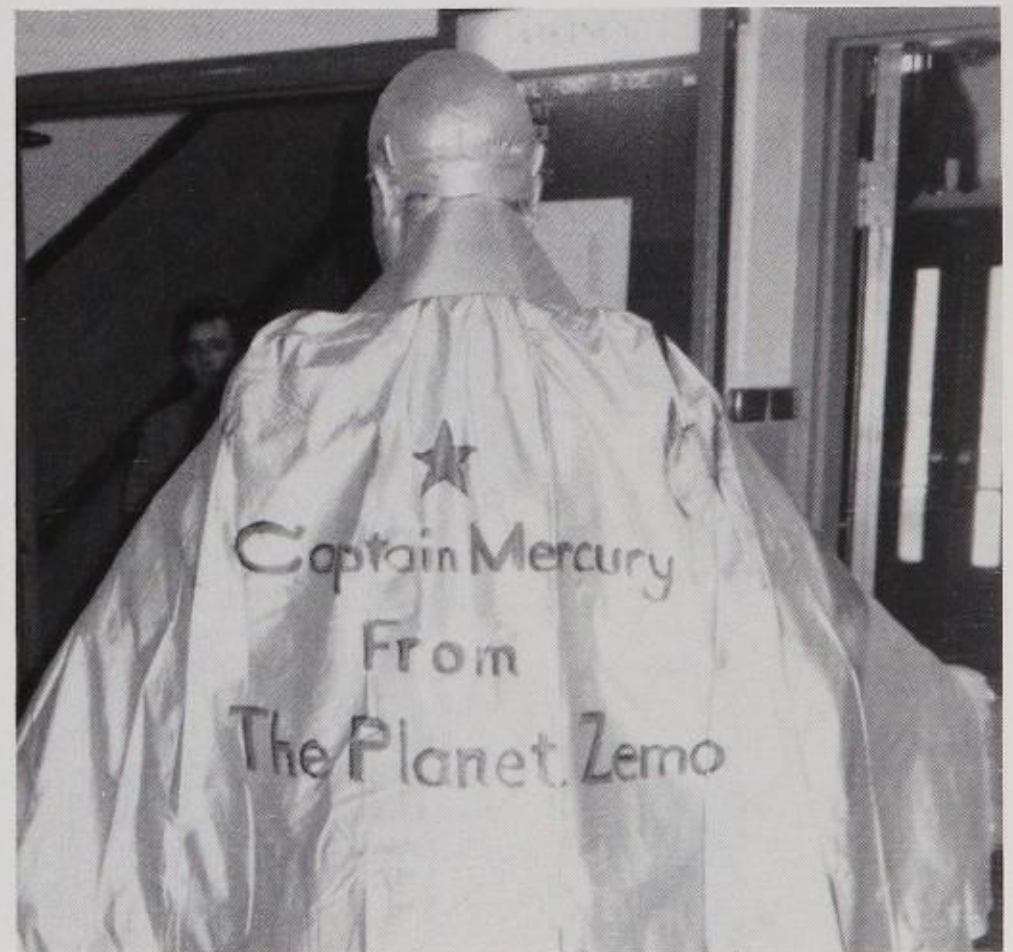

On Deck

Dress Down Day

Several Dress Down Days were held this school year to raise money for various charitable organizations. In September, a special Dress Down Day raised money to help junior, David Wainio, who was in a serious bicycle accident. The Junior Class also held a Dress Down Day fundraiser in May. The customary Dress Down Days for Halloween and Mardi Gras raised close to a combined total of \$1500 for the Rosemary Center and other such Charities.

Rallies

Assemblies

A variety of Assemblies were presented in 1987-88 to honor, inform and celebrate. Clockwise from upper left: The faculty chorus entertains the student body at the Christmas Assembly. Akron University Football Coach, Jerry Faust, talks with old friend Bernie Guilfoyle prior to his motivational talk on how to be "GREAT". Alex Gwozdz, Bill Behrend and Mike Kocet use mime to present a lesson in Christian charity during the Chaminade Day Assembly. Mr. Macuga struts his stuff at the Christmas Assembly. St. Joseph alumnus, Bob Golic, of the Cleveland Browns, meets with Coach Storey after his "JUST SAY NO" (to drugs) presentation. Sophomores receive their HONORS awards in one of the quarterly, divisional Awards Assemblies.

The 1988 VIKING was printed in a quantity of 300 copies by the Inter-Collegiate Press of Shawnee Mission, Kansas. The paper stock used is an 80 pound Ainsworth Special. Trim size is 8½" by 11". Ink used is black. Type styles used are Times Roman and Optima. Times Roman is used for headlines and caption copy, and are 36 point and 8 point, respectively. Optima is used for subheadlines and body copy, and are 18 point and 10 point, respectively. Senior identifications are in 10 point; underclass identifications are in 8 point. The cover is a white litho color. The pictures on the cover are done with the vista litho process in the color, process cyan. Senior and underclass photos were taken by Raimor Studios, Cleveland, Ohio. The budget for the 1988 VIKING was approximately \$13,000, obtained through sales, patrons, and a minimal student publication fee.

This yearbook was completed with the help of many people. Joe Long helped to complete the opening pages. Dave Powell, Mark Adams, and Joe Bochenek helped to get information and complete several pages. Paul Kashuk drew the ship on the endsheets, and Mr. Hoffman drew the pictures on the divider pages. Peter Ercegovac, Mark Lin, John Orsanic, Mark Adam, Joe Bochenek, and I sold ads and patrons to fund the yearbook. Mr. Robertson took most of the photos and helped complete the Senior section. The majority of the work on the book was done by Mr. Bodle and me. I thank all these people for their contributions to the completion of the **1988 VIKING**.

The final page is dedicated to the Seniors, since this is the end of their high school years. I hope all my fellow Seniors look through this book with happy memories. Any Senior who does will probably feel the same way Tony Korosec does in the picture on the left—"I can't believe the four years are over!"
